

Art Supply List

In planning for supplies for art class, I am going to try something different next year. Rather than have every child bring supplies, I would like to have a family bag of supplies. It should contain:

A package of thin markers with an assortment of 20 or more colors.

A large (7ö) pair of scissors for older children

2 or 3 black Sharpie markers

2 or 3 regular pencils

2 or 3 large glue sticks

Please make certain that everything is labeled with the Sharpie, especially the large zip-loc baggie with your family's name.
