

FEEDING THE FATHERS

As many of you know, Fr. Marc is on the mend. In an effort to speed his recovery, we are coordinating meals for the priests at the Rectory. We are planning Sunday dinner and Tuesday and Thursday night suppers.

If you would like to help, please call Kathy Lalli at the School or at the Parish Center. She will coordinate the dinners. Please do not call the Rectory directly.

We are looking for a meal to feed four adults. The only restrictions are low salt and no tomato sauce. For the Sunday dinner, we would like it dropped off at the Rectory between 11:30-12:00 Noon.

For the Tuesday and Thursday night suppers, drop off would be between 4:30-5:00 p.m.

The back door of the Rectory is the delivery point. This is a wonderful way to help Fr. Marc and to say thank you to our priests at the same time.
