H1N1 Flu Clinic Information

I am pleased to inform you that the Newburyport Board of Health will sponsor an H1N1 Flu Clinic for IC students only to be held at the Immaculate Conception School Gymnasium on **Tuesday, December 15, 2009 from 9am- 10:30am** (no appointment necessary). Injection formulation (for high risk students only) and/or the Flumist nasal spray will be available to all ICS students. Students must be *ACCOMPANIED* by a Parent/Legal Guardian. A consent form will be provided at the clinic.

Please remember: this vaccination is for ICS students only. The vaccination is not a mandatory requirement for school. As you all know, vaccination supply is limited. Therefore, in the unlikely event that vaccine availability is in question for the Dec. 15<sup>th</sup> clinic, you will receive a notice via the Communicator on Monday, Dec. 14 stating that the clinic will be postponed.

Sincerely,  
Kristen Lynch R.N.
