

# KINDERGARTEN MILESTONE CELEBRATION

Family and friends are  
cordially invited to our  
Kindergarten Milestone Celebration  
on Tuesday, June 15  
at 9:15 a.m.

Students will come to school at their regular time.

Dismissal for the year will follow the ceremony!

If you have a child in an older grade that you would like to bring to the Kindergarten Milestone Celebration, we ask that you bring that child to school when you come for the celebration and then send them to class afterward. We appreciate your understanding.
