

December 10, 2009

Dear ICS families,

Advent is a time of preparation. There are many people who are not prepared for the oncoming winter though. This December, the Leadership Team would like to sponsor a mitten drive for the Pettengill House. On Monday, December 14, through Wednesday, December 23, there will be a mitten tree in the lobby. Families who wish to participate may send their contributions in with their children.

Thank you for helping us in our community service project. The Leadership Team wishes you a joyful Holiday Season.

Mrs. Reidy, Leadership Coordinator
