

Sign Up For Theater Workshop

The Immaculate Conception School Junior High Theater Workshop Project!

It's an after-school theater arts program where students work together to develop a supportive, creative, expressive community. Learn an appreciation for theater arts by building an ensemble based theater project through movement, improvisation, theater games, stage direction and creative writing. Theater Workshop is an inclusive program. There are no auditions. Students work individually and in groups learning how to develop dialogue, character and plot. The themes encourage inclusion and acceptance, journey and understanding and promote creativity, self confidence and social change. The mission is to foster an appreciation for theater arts while presenting good examples and role modeling for the younger audience. The student writings are developed into vignettes performed for the community on Fine Arts Night.
