

Dear Parents,

As we prepare for the end of the current school year, we are already planning for next fall. We will be offering the option of using the convenient services of SchoolKidz, Inc. and their Teacher Tailored® back-to-school supply kit program. Again this is an OPTIONAL program. You may still purchase your own school supplies.

SchoolKidz offers all brand name items such as Crayola®, Fiskars®, Elmer's® and their own brand name, SchoolKidz. Best of all, the items are exactly what is required by our teachers and the entire package comes labeled with your child's name in a reusable heavy-duty storage box.

This program will save you time, making "back-to-school time" less hectic and more enjoyable for both students and parents. We believe you will find the pricing to be very reasonable. All kits will be delivered to the school and will be waiting in your child's classroom for the first day of school. If you would like your kits before this date, alternative arrangements can be made by contacting us at the number below.

It is suggested that all students have a backpack (no wheels for elementary grades). This is not included in the order forms. Additionally, Grade 3 students will need to bring in a set of rosary beads.

Please note, art supplies are purchased per family, not per student.

Each student will also receive the following SchoolKidz Bonus Items:

- 1 Student Information Label
- 10 Money From Home Envelopes
- 40 Personalized Student ID Labels
- 1 Important School Dates Magnet
- 1 5" x 8" SchoolNotes Pad
- Exclusive Promotional Offerings
