

January 2012

Greetings!

It is with a great deal of pride and joy that I welcome you to apply for entrance to Immaculate Conception School. This school, founded by the Roman Catholic Church and originally staffed by the Sisters of Charity of Nazareth, has 127 years of impressive history. Graduates of ICS include many of the area's professional, political and business leaders. We are proud of our legacy!

Today, the Immaculate Conception School embraces a changing world in which the demand for a strong academic education is greater than ever. Our vision for the future is one that readily acknowledges the emerging array of skills and experiences which students will need to thrive in this new world. We are up to this challenge. Our esteemed faculty, some with over twenty years of experience in educating children in the excellence so characteristic of Catholic schools, are equipped with the tools and on-going professional development needed to be at the top of their field. Our record of achievement, our rising standardized test scores, and our over 80% acceptance at private and Catholic high schools speak for itself; but we are anxious and proud to talk with you about the excellent education offered here. Please call me to set up an interview to discuss your child's future at Immaculate Conception School.

We are fortunate to be in a strong financial position due to sound fiscal management and successful fundraising efforts by our school community. As strong supporters of Catholic education, we look forward to the partnership with our new families in providing the best quality education for our students. Your faithfulness, as a parent volunteer will be needed to support our two school fundraisers, The North Pole Express, and Auction. These allow us to be responsive and sensitive to the needs of our students and community. Thank you for your interest in our school.

Best wishes,

Mary Reardon,  
Principal
