

Newburyport Pioneer League 2012 Registration Information

Dear Parents and Students,
Registration for our 2012 Spring season will open Monday, 12 September 2012 at 12:01 AM for all 8 divisions. Families should use their personal account information/password from the 2011 season to log in for that registration process.

Our web site address is: www.thenewburyportpioneerleague.com

Please locate and click on the Register Online tab on the left side of the page. Read the important registration notes and then scroll down to your child's applicable baseball or softball age division. Click on the Begin Registration button and then follow applicable instructions.

Only those children registered and fully paid on or before Oct 10, 2011 are guaranteed a spot on a Spring team.

The League will be monitoring the quantity of registrations for the various age divisions and may have to set maximum division limits as to players in order to fulfill rosters to fair and equal player numbers. Thus, it is to your advantage to register as soon as practical for your particular family situation.
