Dear Parents and Students,

Enrollment for the 2012 Newburyport Pioneer League Softball season will remain open until 3.1.12. Currently we have spots open for young ladies in both our A and B Leagues.

Please visit our website: thenewburyportpioneerleague.com to begin the registration process. Please click on "registration notes" at the top of the webpage to start. It will provide instructions for first timers and returning families. Registration prior to 3.1.12 will guarantee placement.

Thank you,
