

Art Supply List

The family art supply bag worked well this year. We will continue to have families use one large zip-loc bag for all the children in one family. It should contain:

- A package of thin markers with an assortment of 20 or more colors.
- A large (7ö) pair of scissors for older children
- 2 black Sharpie markers
- 2 or 3 regular pencils
- 2 large glue sticks

Please make certain that everything is labeled with the Sharpie, especially the large zip-loc baggie with your family's name.
