

October 19, 2010

Dear IC Families,

As many of you know for more than 20 years, the Immaculate Conception School has sold a \$10 holiday cash prize calendar. The calendar gives individuals 40 chances to win a total of \$5,000 in cash prizes. Beginning Christmas Eve through February 1st, daily winners are randomly chosen to receive cash prizes of \$100, \$200, \$300 or \$400. Participants can win as often as their number is drawn. The names of the winners will be announced in the Communicator and the Parish Bulletin. The school will also contact each winner directly.

This is a Development Fundraiser. We ask each school family to sell 15 calendars (not each student!). Calendars can be sold directly to family and friends, or after mass to Parishioners. We would love it if families felt they could sell more than 15 calendars. There are incentives for families that sell over 25 calendars, for the class that sells the most, and for the family that sells the most. Details of these incentives will be announced shortly. Our loyal alumni are also very supportive and typically buy hundreds of calendars as well.

The kits containing the calendars and all the details will be sent home with the oldest or only child the week before Thanksgiving.

At this time, I am looking for about 20 volunteers to help assemble the kits on **Tuesday November 9th** at 6:30 pm in the school cafeteria. With enough volunteers this should take as little as two hours. Please let me know if you can help that night.

Thank you,

Sarah Beevers
