

## Cautionary Note Regarding Playground Door Dismissal

**Important notice to Parents and Guardians using Grade One exit near playground to pick up children at dismissal.**

Dismissal at this exit presents an occasion for parents and children to socialize at the end of the day. This is a wonderful time for connecting and letting off steam, but please be aware that children are not under school supervision and that there may be opportunities for bumps and bruises. Please keep a close eye on your child to avoid any mishaps.

**Thank you!**
