

December 22, 2010

Dear IC Parents and Students,

This letter comes with wishes for a Merry Christmas and a happy, healthy new year. Our days this year have been some what colored by the sadness surrounding Father Marc's illness and passing. Our community has healing and hope ahead. Thank you for the way many of you have blessed me.

As we approach Christmas, I invite you to pray with me "Come Lord, Jesus. Come into our hearts, our families and our school."

May your Christmas time be joyful and filled with peace. May you have the blessings of family and friends to cheer you. As we say "yes" to His grace we can make Christmas happen again and again in the New Year!

Best wishes,

*Mary Reardon
Principal*
