

## **Soliciting your help with Train Decorations for the North Pole Express - Christmas Wrapped Boxes**

Last year, we introduced “Christmas Presents” as a decoration on the Train for the North Pole Express. These were placed on the Luggage Racks, and added a simple festive splash of color.

We’d like to replace many and expand the quantity of what we have, and are soliciting your help with the following:

- Boxes, covered with Christmas wrap.
- You may stuff them with newspaper to add a little weight; or they can be empty.
- Should not exceed 15” high and be no wider than 12” or longer than 36”. Nothing too small please.
- With or without Bows or Ribbons.

We are requesting about 100 wrapped boxes, more welcome! If each family wrapped one box, we’ be in great shape! You may drop them off at the school, or contact Susan Noyes at [susan.noyes2@verizon.net](mailto:susan.noyes2@verizon.net)
