

**Are you wondering...  
"How can I help support the 2012 ICS  
Auction?"**

Do you have a talent you can share:

do you cook? bake? cut or style hair?

Can you run a birthday party?

Offer lessons in knitting, voice, painting, acting, sports, web design, computer graphics, film, musical instruments?

Do you have farm fresh eggs to offer monthly?  
Can you share vegetables from your summer garden?

Do you (or does someone you know) have a time-share or vacation home to offer?

Do you have a business that can offer services?

OR, we have items that we are packaging together for a special outing/vacation/weekend and can use monetary support---any amount you can give!
