

Immaculate Conception School Lunch Program

For 2011-2012 School Year

The Lunch Menu is posted on the website, www.icsnewburyport.com.

Lunch may be paid for daily or on a prepaid basis. Prepaid lunch money is collected Monday mornings for weekly and monthly payments. These accounts must be kept up to date. **On occasion students will forget their lunch or money to purchase lunch. Lunches may not be charged. If the office is aware of the situation early enough, an attempt will be made to call parents. Students without lunch will be provided with a nutritious meal of a cheese sandwich on whole wheat bread, 2% white milk and apple sauce. Students who receive this lunch option may not make purchases from the optional snack/dessert line.**

- All money must be clearly marked with child's name, grade and what the money is for, such as milk, lunch, etc.
- Milk, water, and juice are available for a cost of \$.50.
- A specified entrée will be served each day as well as pasta, hot dogs and cereal.
- **Students bringing nut products for lunch will sit at the "peanut butter" table. This will ensure the safety of our entire student body. (Reminder: No nut products are allowed in the classroom). Thank you for your cooperation.**

Please contact us and we will forward any questions to the cafeteria staff.
