

NEWS FLASH!!!!!!

Did your children come home telling you a tale of sitting in a Tipi, learning about Native American life?

It is true! On October 27th, all of our students participated in an educational program called Native American Perspectives. Our 5th, 6th, and 7th graders assembled a Tipi, and our Pre-K, 1, 2, 3, 4th and 8th graders were able to have their lesson conducted while seated inside the Tipi. All grades discussed various subjects such as Tipi Life, Native American Games, cultural differences between tribes, and life pre and post contact with Europeans,

Many thanks to the ICS PTO for funding this program through the Fall Fundraiser. If you have not yet contributed, it is not too late! You may still send in your 65.00 check!
