

Student, Parents, and Faculty of the Immaculate Conception School:

My name is Hannah Crochetiere. I am a graduate of Fitchburg State College, where I obtained my Bachelor's of Science in Nursing degree. I have experience working with students of all ages while doing one of my clinical rotations in the Hudson Public School system and I also work Per-Diem as a Critical Care Tech in the Emergency Department at Leominster Hospital. I am very excited to have the opportunity to work with all the students, parents, and faculty and I look forward to meeting and getting to know everyone during the school year. I plan to work together with the rest of the faculty at the Immaculate Conception School to help make this school year a safe and successful one!

Sincerely,

Hannah Crochetiere, RN BSN
