## Newburyport Public Schools Public Pre-School Screening

This is a public pre-school screening that is available to all Newburyport residents. The Brown School pre-school staff will be conducting these screenings that are available to all children who are three and four years of age. This developmental screening can indicate whether more specific information or an evaluation is needed in a particular area of development. The dates are as follows:

Friday, December 9, 2011

Friday, March 23, 2012

Please call 978-465-4435 to schedule your appointment.
