

North Pole Express: We need many more volunteers!

Thank you to all families that have signed up for volunteering on the North Pole Express. For those of you that have not yet had the chance to sign up, this event needs your help. It is critical that each adult family member devote their time to at least two rides on December 3rd. Currently, we have too many voids to fill in order for this incredible event to be successful.

Please don't delay any longer to sign up...our generous organizers deserve ample time to finalize a schedule and they cannot do this with so many positions still open.

To make things easy, please visit the ICS Communicator, click on the North Pole Express, click the "volunteer" button at the top, and read about job descriptions currently available. Once you see the job of your dreams, you can register for it right online!

If you have any questions or issues with the online access, feel free to contact the office.

Thank you very much!
