

# North Pole Express Volunteers are needed

Thanksgiving deadline!!!

IC has two major fundraisers that directly fund operational costs. These events are the North Pole Express and the Annual Auction. To keep our tuition affordable it is imperative that everyone in the Immaculate Conception School Community volunteer to make the events work. Not only is volunteering the responsible thing to do, it builds community and is a multi-faceted investment in your children's education.

## **Our children are counting on your support!**

Please fulfill your obligation by going to the website <http://www.icsnewburyport.com/> and volunteering for the NPE. We know it is a busy time of year. It is for everyone involved, including the ones that have already signed up. Please help share the workload (and fun)! It is critical that each family does their fair share. We have roughly 150 families and about 350 volunteers needs. Please do the math and do the right thing. We need you today. Don't leave this for the others to do. Help contribute to you children's education.

Thank you!

North Pole Express Volunteer Coordinator

Mary Reardon, Principal
