Dear Immaculate Conception School Community,

It is with great pleasure that I announce that we have hired a new school nurse, Ms. Lauren Justin. Lauren is a registered nurse with a BS in Nursing from the University of Southern Maine. Lauren did a pediatric rotation as part of her training, and has had experience in a camp and school setting. Currently she is also employed at Anna Jacques Hospital in Critical Care Step Down Unit. Lauren will be in our building five days a week from 10:00 - 2:00. Please feel free to call Ms. Justin if you have any concerns or questions.

I am extremely grateful to Mrs. Polly McDowell and Drs. LaFlamme and Howe for stepping in while we were interviewing nursing candidates. We are very fortunate to have parents that are willing to serve our community in such a generous way!

Best regards,  
Mary Reardon  
Principal
