

Dear IC families, students and faculty,

Immaculate Conception is an amazing school with incredible faculty, terrific students, and such an amazing support system of families. I have thoroughly enjoyed all of my time here working with everyone and I am so grateful to have met such wonderful people. The work and dedication to the students that the teachers and faculty have here is truly amazing.

Upon taking this position in October I had every intention of staying until the end of the school year. Unfortunately, there have been some recent changes in my life that have required me to find a full time job closer to my home and family. I have been commuting from Fitchburg, MA for the last 6 months which is about an hour and 20 minutes away. It is bittersweet for me to say that my last day here at Immaculate Conception will be April 22, 2011. I have been offered a full time position at a hospital much closer to where I live.

I would like to thank everyone for all of the wonderful work they do here, being so supportive throughout the year, and I will truly miss all of you. This has been such a great experience working for such a wonderful school. Best of luck through the rest of the school year!

Sincerely,

Hannah Crochetiere, RN, BSN
