

You are cordially invited to the
 Immaculate Conception School
 Annual Parent Night
 Thursday, September 22, 2011

Dear Parent,

At Immaculate Conception School, we believe that you, as parent, are the first educator of your children. We believe that the **best** education is education that fosters seamless cooperation between the parent and the school. To further that collaborative effort, we cordially invite you to join us for our Annual Parent Night. Come and learn more about your child's educational program and about ways we can work together to provide the best learning experience possible.

We will begin the evening in the gymnasium with prayer and introductory remarks. The schedule for the evening will be explained, and then you will head off either to the elementary classrooms or the Junior High. Mrs. Beach, art teacher will be available in her classroom. Mrs. Meissner, our Spanish teacher, and Mr. Driscoll, our music teacher, will be available in the Library.

If you have a child in an elementary classroom, you will be asked to sign-up for a parent conference when visiting the room. Parents may sign-up for Junior High conferences in the gym. Junior High teachers will conduct their conferences as a group. If you would like to meet individually with a Junior High teacher, you must schedule a conference either before or after the conference time in November.
