

Rosa's Ride

Flying Ship productions, a professional touring theater company, visited first through eighth grade Immaculate Conception School students Tuesday, January 31st. They performed "Rosa's Ride", a musical dramatization of the life of Rosa Parks. Using four actors, the performance demonstrated how a simple act of civil disobedience gave birth to the modern Civil Rights movement. The score followed 20th century music evolution from ragtime, blues, jazz, and gospel to rhythm and blues.

Many thanks to the PTO and the families who contributed to the Fall Fundraiser for bringing us this wonderful production!
