

School Cancellation Policy

Reminder to parents:

In the event of a school closure, we follow the Newburyport School System. If there is inclement weather and the news channel has Newburyport Public Schools cancelled, Immaculate Conception School is cancelled as well.

The Honeywell Alert System is the most expedient and reliable way for us to notify you of school closings or emergencies. You are able to receive notifications via your home phone, cell phone, work phone and email, whichever is most convenient for you.

If you have not already done so, the registration process is not difficult and takes only a few minutes. To do so, type the following URL into your computer:

Instantalert.honeywell.com

We emphasize the importance of each family registering on the Honeywell site as this would be the only means of notification if something occurred that was specific to our building, for example a system heating issue.
