

January 23, 2011

Dear Immaculate Conception School Community,

With the forecast of possible snow in the middle of this week, many are wondering if we will be going to school in July! We plan to end school on June 17. If we have additional snow days we will forego the Professional Day on March 15 and if needed Early Release Days in March and April. We do not plan to be in school beyond June 17.

Warmest regards,

Mary Reardon
Principal
