

ABSENT AND TARDY REMINDER

If your child is absent or going to be tardy, it is important that you call the school office at 978-465-7780 and report this by 8:15 a.m.

If a child is marked absent and we have not had a phone call, we will call the home to verify each student's absence.

This is to assure that all students are safe.

Please help us by remembering to call the school for all absences. Thank you for your consideration.
