

Please join me in welcoming  
Our New School Nurse

I am pleased to introduce and our new school nurse, Ms. Sarah Clegg. Sarah comes to us as a graduate of Fitchburg State College with her Bachelor of Science Degree in Nursing. Sarah did a school rotation in Hudson last year. Sarah will help to promote a healthy faculty and student body here at IC as well as see to individual medical needs and concerns. Sarah comes very highly recommended and is eager to become a part of the IC Community.
