Student Handbooks:

The student assignment books contain the student/parent handbook. These handbooks contain important school policy information. These assignment/handbooks will be available to all students in grades 1 to 8 on the first day of school. Please send in a check for \$4.00 in a well-marked envelope with the student's first name and grade. This will cover the cost of the assignment/handbook. Handbooks will be available to Pre-K and K families upon request from the office.

Everyone should have received a list of supplies requested by the classroom teacher. If you do not have a copy or have misplaced your copy, you can obtain it from the "Communicator" on the website at: www.icsnewburyport.com.

Drop Off and Pick Up

There are three methods of transportation to and from school: bus transportation for students in Newburyport, by parent cars or as a walker. If you plan to have your child ride the Newburyport school busses, they should pre-register with the Newburyport Public School system. If you drive your child to school, you must follow the mandated NEASC approved policy for entering the school yard area.

For morning drop-off, all cars should enter from the Court St. entrance of the schoolyard and drive to the end of the opening on Washington St. before allowing children to disembark from the car. **Parents, please have children ready to disembark from the car with backpacks, etc. in hand. It should not be necessary for parents to leave the car to gather their child's belongings. Goodbyes should be done inside the car so that children are dropped off in the school yard and then parents can continue on their way.**

For pick up at the end of the school day, cars should enter from Washington St. entrance of the school yard nearer to Court St. and line up in a semi-circle to the Washington St. exit closer to the building. **All cars should clearly display a sign marked with the family name and grade of each student in the passenger side window. As faculty members see the signs, your child will be walked or directed to the car while all vehicles are stopped. Parents once again should not leave their car. We will assist your child as needed.**

Note: No student will be allowed to be picked up by cars outside the schoolyard area! We will do our best to move the car line along as quickly as possible. Parents, this is for the safety of all our children. Please adhere to this rule. Cars should not be waiting for students along Green St. or Harris St.

If your child will be walking home or to another destination for the entire school year, then the homeroom teacher must have written permission on file. If your child is walking to a destination for just one day, we must still have a written parental permission slip turned into the homeroom teacher on that day. Otherwise, we will assume that permission is not granted and will not allow a student to walk home or elsewhere.

Summer Reading List-

All students should bring their mandatory reading list assignment on the first day of school.
