

Paul Effman Music

After School Band Program

Through the Paul Effman Music Service, the Immaculate Conception School offers students in Grades 3-8 the opportunity to learn to play a musical instrument. This is an After School Band Program. Instruments are available for students to rent and group lessons are offered on a weekly basis. Adult supervision is provided for students waiting for their lesson. Students participate in a Band Performance during our Spring Fine Arts Night. This is the culmination of the music program.

Information on this program is distributed to parents/students at the beginning of the ICS school year.
